Food
Orange
Week

Every year, a group of passionate and very busy volunteers pull F.O.O.D's event program together, making it one of the most community and producer-driven regional celebrations in the country.

The F.O.O.D Committee are really proud of the variety of events on offer every year. There's something for all tastes and budgets—from the big ticket dinners to school fetes, cooking classes, farm gate trails and our fantastic Night Market. So look out for the program, book your events early and enjoy F.O.O.D Week 2009.
